

Community Eco Festival

15th October 2022

The day began with this beautiful rainbow over Britwell Hall.

Our lovely stall holders prepare!

Thank you Playgroup
For your amazing display!

We enjoyed some fabulous music and dance – here is the Rock Choir and our very own Rhys!

Dawn from FOWGS.
We are working on lots
Of projects together. They
Are very supportive of our
Eco ethos.

Just some of our amazing
Volunteers on the day – it was
A massive team effort thank you!

Lizzie from Hen Welfare Trust chatted to us about the rewards of caring and rescuing hens.

The wonderful Enigma Brass ended our festival for us.

What a wonderful community event! We connected with so many people and raised an awareness of the climate crisis while also encouraging the small positive steps we can all take to tread more lightly on our earth and protect our fragile planet. Thank you to everyone who joined in and supported Wylder&Greener and our Eco journey here at Wylde Green URC
